

Welcome to the Art & Wine Festival:

The City of Santa Clara and the Parks and Recreation Commission welcome you to the 29<sup>th</sup> Annual Santa Clara Art & Wine Festival. We are very pleased that you have joined us to enjoy Central Park and the variety of Festival activities.

Volunteers, community organizations, and the Parks and Recreation staff have worked vigorously to provide festival-goers with the finest festival experience possible. Santa Clara residents will tell you that the Santa Clara Art & Wine Festival represents the City and all of its residents as an active and proud community.

A unique aspect of the Festival is that 100% of the proceeds raised through the Festival go back into the community. The funds raised at the Festival provide services to virtually every aspect of the Santa Clara community life. The Parks and Recreation Commission is very proud of the Festival and thank you for being part of this wonderful community spirit.

Enjoy!

Sincerely,

Parks and Recreation Commissioners
